# JOWEL ROSARIO

## SOFTWARE ENGINEER

## GENERAL INFO

A growing Full-Stack Developer with a background in Education, phenomenal experience in strategic planning, adaptability, innovation, constant learning, communication and problem-solving. I am passionate about the growth mindset and continuously looking for a new set of challenges that test the mind and ability. From teaching a classroom to coding, I am highly skilled at collaborating with my team members to tackle challenging problems and roles. As a lifelong learner, I am excited to take a new career path within a work environment that encourages growth, creativity, and productivity.

## SKILLS

- **Computer Languages:** Git/Github, JavaScript, HTML, CSS, APIs, React, Ruby, SQL, Express, Ruby on Rails and PostgresSQL
- **Social Skills:** Communication, Problem Solving, Time Management, Leadership, Customer Service, Organization, Teamwork, Accountability
